| 5.Multidisciplinary / interdisciplinary | |
| Interdisciplinary courses involve | the combination of |

multiple academic disciplines into one activity. It draws knowledge from several other fields like physical, Life science and Social Science. It is about creating something by thinking across boundaries. Interdisciplinary courses are a great fit for students who want to chart their own path with a specific goal in mind, or students who want to explore how multiple areas of study intersect with one another.

Interdisciplinary approaches to research in the sciences have become increasingly important in solving a wide range of pressing problems

at both global and local levels. It is imperative then that science majors in higher education understand the need for exploring information from a wide array of disciplines. With this in mind, interdisciplinary instruction has the potential to bring new insights and methods to enhance learning and promote critical thinking skills.

On an average the Institution offer 6 courses in an academic year and there is a heterogeneous registration of about 300 students roughly post pandemic. The college has offered two courses during the academic year 2021-2022 namely Web application and Medical, Biochemistry and Microbiology with a registration of around 70 students.

16.Academic bank of credits (ABC):

Academic Bank of Credits (ABC) is a virtual/digital storehouse that contains the information of the credits earned by individual students throughout their learning journey. It will enable students to open their accounts and give multiple options for entering and leaving colleges. There will be "multiple exits" & "multiple entries" points during the higher education tenure & credits will be transferred through the ABC seamlessly.

ABC can be considered as an authentic reference to check the credit record of any student at any given point in time. Thus, the concept of ABC is fuel to boost the efficiency of faculty and help students embrace a multi-disciplinary educational approach. The idea is to make students "skillful professionals" and help their overall growth.

In a crux, the Academic Bank of Credits will be a game-changer in transforming Indian education to a great extent. The Institution has conceived the idea of ABC and will make it in practice at earliest possible.

17.Skill development:

Education, Skills and employability are of paramount importance in today's context. Education positively influences various facets of growth and development such as poverty reduction, health, gender equality among others. Skilled workforce is necessary for economic development. Some sectors, such as agriculture, food processing, heavy industries, textiles, tourism, construction sector, healthcare, transportation and infrastructure etc. are vital for economy and engagement of skilled workforce in such sector is a major concern for any country. The urgent need of the hour is investing in skill based training to create sustainable, inclusive development of student community. Skilling refers to the training, practical, theoretical and soft skill knowledge of current industry standards. It involves harnessing the untapped potential of the youth and making them employable with relevant skills for the current job market. Education and training improves an individual's employability, morality and it also increases the individual's ability to adapt challenges. Considering this in view, the Institution is offering skill development courses such as Communicative English for freshers and Employablity Skills for outgoing students every year. During the acdemic year 2021-2022 the courses were offered for 200 students in 30 hours schedule. The ED Cell of the institution has organised hands on training programmes in association with MSME to impart skill based vocational education.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

The Institution provides a well balanced, and adequate system of education capable of making an impact on all aspects of individual life. Learning should goes beyond the classrooms into the wider creative world outside. Vocal music offers a creative landscape for the students to build their feelings and emotions and also improves co-ordination of mind and soul. Considering this in view the Institution have the practice of organizing "MARGHAZHI MAHA UTSAVAM" in its premises every year to enrich student community in musical extravaganza. "GITAMRTAM" (Agenda programme of Bhagavad Gita) is chantting of Bhagavad Gita by students organised by the Department of Hindi in association with "UTTARA SAMSKRITA BHARATHI" on the occasion of Gita Jayanthi. The Department of Languages regularly organizes Navarathri Festival by creating the signature GOLU representing our Indian Heritage, History and culture through miniature dolls placed on an odd numbered stepped platform, Commemorating the victory of divine feminine in the war against evil forces. "Yoga Psychology" was organised by the Women Cell during the academic year, to explore the practical method for complete physical, mental, spiritual transformation in students. The IQAC has organised an awareness programme on "Learning Indian Vs Foreign languages" for Multilingual skill development of students.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

Outcome Based Education focuses on measuring student performance at different levels. It gives emphasis on clearly articulated idea what students are expected to know and be able to do that is what skills and knowledge they need to have when they leave the institution. The Learning Out Come based curriculum Frame work (LOCF) works towards a more holistic experience for the students while focusing not just on knowledge delivery in higher education but also on the application of knowledge through field and lab work and emphasizes on skill based curriculum. The Institution has signed up MOU with Tamil Nadu Apex Skill Development Centre for Soft Skill Training and Holistic Skill Development of Students. Google Coursera Certificate courses are offered for their professional skill development. The ED cell of the Institution is offering vocational courses through online and offline mode and organizing hands on Training workshops to develop Entrepreneurial skill among the students. The PG Department of Bio Chemistry, Psychology & the PG Department of HRM are regularly organizing Industrial visits and Field Trip for the students to give them practical exposure on learning Pedagogy.

20.Distance education/online education:

During the academic year 2021-2022 the Institution has arranged online classes through google class rooms and organised several webinars through zoom meet. The students were motivated to enroll for NPTEL/ SWAYAM online courses. Ever since its inception, our college has acquired the ACTIVE LOCAL CHAPTER status till date based on the performance of the learners in the continuous assessment and proctored examinations. Dr. R.Padmajavalli, Associate Professor and Head, PG Dept of Computer Science has been nominated by the institution as the Single Point of Contact (SPOC) to enable NPTEL to keep the SPOC updated about all the latest NPTEL initiatives and provide information which can be disseminated among the students. To take this noble initiative forward in the institution, whose main aim is women empowerment, the SPOC is assisted by a team of faculty members from each department so as to motivate and encourage the students/faculty to take up these courses. The SPOC also identifies suitable mentors for various courses, who can ensure that students are active in a course, are submitting their assignments on time and also clarify the doubts they may have. The SPOC conducts periodical meetings with its faculty team members to provide latest NPTEL initiatives and obtain a follow-up with the student issues, if any. The SPOC also recommends to NPTEL regarding fee waiver for the students on meritcum-means basis. Around 60 students had received the benefit of free soft skill online training for a period of 1 week during October -December 2022. The students are being motivated and the fruit of their efforts has been evident in the performance of the examinations conducted by NPTEL. In the year 2021 - 2022, the institution was given ACTIVE LOCAL CHAPTER status for July December 2022.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The assessment standards maintained by the institution will give a clear analysis to the students to upgrade their performance. Accordingly Internal assessment through Mid semester examinations, Mini Assignments, projects, presentations like seminars , group discussions, inter-team challenges are some of the tools employed to assess the talents and capabilities of students. Based on the level of their performance in the internal assessments, slow learners and advanced learners can be easily identified. The slow learners are getting focused on written practices and extra coaching classes after their regular college hours. Further more the slow learners are divided into teams with each team consisting of a combination of different learners. Work will be assigned to each team which helps all the members in a team to interact and share their ideas with each other. This way the slow learners can gain their confidence and learning skills within the team. The mentor gives regular counseling on their psychological issues which enable them to concentrate on their studies. Advanced learners are encouraged to participate in inter collegiate events, NDLI activities and to pursue NPTEL /SWAYAM, COURSERA online courses. Continuous monitoring about the progress of the students enables to enhance the overall development of advanced learners.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The Institution is following the continuous evaluation system to achieve the learning outcome for each course throughout the academic year. This helps each department to work towards achieving the assigned task. Hence, the evaluation is carried out in the form of Class Tests, Mid Semester, Model Examination, Assignments, Seminars and Group Discussions. In the beginning of the academic year, the students and parents are well informed about the continuous comprehensive evaluation process designed by the University of Madras. The periodical evaluation helps the college to have a clear understanding of their academic progress and enables to monitor their attendance. Industrial visits and field trips enable the students to get practical knowledge on theoratical based curriculam. The power seminars are organized to improve the understanding on recent trends and to broaden their conception of the subject. Project based learning activities create opportunities for students to nurture their talent. The evaluation through these methods enables the teacher to guide the students about their level of understanding in each subject. The summative evaluation is done during the Semester examination. The evaluation methods used in the college are very transparent and do not give room for any kind of grievances from both students and parents.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

A grievance mechanism is a procedure that provides a clear and a transparent frame work for addressing grievances related to the internal examination. The college follows a fair and transparent

internal assesment process and robust mechanism to enhance the quality of higher education. The system of internal assessment is communicated well in advance to the students. The college has Grievance Redresal Cell to deal with examination related grievances is transparent, time bound and efficient. The Examination Committee monitors and conducts centralised Mid-Semester & Model Examination as per the University Examination pattern for Internal assesment. The Transparency is maintained by sharing the Internal Assesment marks with students and the grievances of the students about the assesment if any are addressed. The students can drop their grievance letter in the box provided near the COE cabin or they can lodge their complaint through mail ID shared by theGrievance Redresal Cell. Two Senior Members of Faculty representing Arts & Science Stream and the Chief Superintendent will look into the complaints lodged by the students, and judge on its merit. The grievance redressal cell is also empowered to look into the matter of discrepancy in the answer script evaluation and online entry of marks.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

Programme outcomes are the specific skill requirements and accomplishments to be fulfilled by the students at the end of the programme. These are mainly achieved through the curriculum delivery and assessment. The IQAC of the institution has identified a set of assessment tools to monitor student progression in achieving the programme and course outcomes. The assessment instruments fall into four general categories: They are Evaluation , Formative and Summative assessement / Survey/Feedback . The institution collects feedback from the Students, Alumni, Employers and Parents. These instruments are designed as a development inducing system. The Course outcome are the statements that help the learners to understand the reason for pursusing the course helps them to identify what they will be able to do at the end of the course. This can be assessed based on the internal performance of the students in submiting Assignments on time, MCQ's, mid-semester and model examination. The Cumulative Grade Point Average (CGPA) score is one of the important measure of the extent of fulfillment of the PSOs. The success of a programme is reflected in the upward progression of students. Almost 40% of the students have progressed to higher learning institutes and many are placed in reputed industries.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

The performance of each staff is assessed annually. The objective is not only to objectively evaluate the performance as per established norms, but also to identify potential aspects for improvement that can eventually lead to further progress and growth of the employee. The performance of each faculty member is assessed according to the Annual Self Assessment for the performance based appraisal system

(PBAS). The institution undertakes a wide range of activities besides academics, for which faculty members are asssigned additional duties and responsibilities, which are mostly voluntary. The institution accords appropriate weightage for these contributions in their overall assessment. The PBAS proforma filled by the faculty member is checked and verified by the Heads of the Departments. Then Non-Teaching staff are assessed through their performance. The comprehensiveAnnual confidential report comprises various parameters. Each one of tthem is graded on a five-point scale. (Excellent, Good, Satisfactory, Average and Poor). The overall assessement is based on the cumulative grade by the HOD, which is then forwarded to the secretary through the principal. The Annual Confidential Report and the performance Appraisal system has significantly helps in evaluation of the performance of staff to know their strengths, weaknesses & to motivate for their better performance.
