

CAREER GUIDANCE CELL

The career guidance cell aims to provide assistance and advice to students to make them aware about their future educational career choice. It aims at providing individual focus for students with different line of interest after their under graduation. This would made by possible by farming different clubs based on the interest of the individual groups and their requirement like IT club, Higher studies club, communication club.

OBJECTIVES

1. To conduct a survey among students on their career options
2. To provide available updated information about jobs / positions/ opportunities career options
- 3.To provide necessary literature / brochure / information
4. To organise coaching classes on banking awareness
5. To organise workshop by experts on career guidance from the industry
6. TO mobilise resources for needy students to apply for jobs.
