SUSTAINABILITY & ENVIRONMENT CELL

“Every great journey begins with a single step”

The Sustainability & Environment Cell in association with ExNoRa International (NGO) constituted YOUTH ExNoRa – Students Chapter in BMC. The Cell instills the responsibility of students to conserve natural resources and shield worldwide ecosystems to sustain health and wellbeing, now and in the future. In order to sustain the beauty and natural function of the environment, humankind must first take drastic steps towards environmental sustainability and avoids actions that harm or deplete it. Because so many decisions that impact the environment are not felt immediately, a key element of environmental sustainability is its forward-looking nature. The Cell organizes and encourages students to bring out various awareness programs which is hail and healthy for the neighborhood society.
