SEMINAR

ON

HUMAN

TRAFFICKING

- *SEMINAR ON
PENN NALAM*

LAW AWARENESS

There are legal rights available to all citizens but women have been given some special rights . This was been done because the large women objected to injustice, discrimination and atrocities such as bigamy denial of inheritance, Rape, Prostitution etc... Our society was dominated by men and women have been given to low status, on this considerable difficulties and ill treatment.

Human rights seminar by Mr. K.Raja Kumar
