

Grace Mrinalini Aruliah

Placement Officer

A Multifaceted professional with 12 years of experience in training , teaching and counseling. Having done her Post graduation in Public Administration and Counseling , her passion to impact the lives of youth led her to do Masters Diploma in Training from IATD. She is a certified Professional trainer in design and facilitation of Experiential learning from IIPE, Canada and makes learning fun through games , activities and purposeful conversations. She has successfully empowered students through her Campus to Corporate pre placement training sessions. Her excellent communication and interpersonal skills help her bridge the gap between the corporate world and the campus life, paving the way for the students to land in a career of their choice.
