

## 7.3 – Institutional Distinctiveness

- **The institution is keenly interested on women empowerment by educating economically underprivileged girl students for the upliftment of the society. Hence the priority is given to the educationally and economically deprived students in admission.**
- **Furthermore Dyslexic students are admitted and special care is given for them. During University Examination, they are given extra time and if necessary scribes are also arranged.**
- **The scholarship Committee is identifying the needy students and enabling them be benefitted through Central, State Government, NGOs and Private Trust Scholarships.**
- **Each Department has book bank, through which the needy students are benefitted.**
- **The Placement and Career guidance cell is organizing free training camp, Career Guidance Program which enables them to take part in job fair and find placement.**
